

# Maroon 5 - Wasted Years

Tom: C

Verso:

Am  
Slow is the memory  
I can picture her standing right in front of me  
Orange blossoms crushed on concrete  
I walk around with bare feet  
And I know you want me  
Am  
Can't remember everything  
Her skin it tastes like sugar cane  
And I had already gotten there before I came  
My tank is empty  
And I know you're thirsty

Refrão:

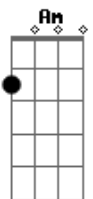

Am C Dm

I have already tried to explain myself  
It's not that I love someone else  
But I can't bear to listen to you cry  
I'm sick of all these wasted years  
A rag for someone else's tears  
I wring you out as I hang you out to dry  
Am  
C'mon C'mon  
C  
Get off the phone  
Dm  
Please come home  
It's been so lonely since you've been gone  
Am  
you won't surround me  
C  
up and down me  
Dm  
Be all around me  
G  
Baby I can't breathe no more
