

# Maroon 5 - Won't Go Home Without You

Tom: Db

**Eb**  
I asked her to stay But she wouldn't listen **Fm**  
**Bb** She left before I had the chance to say Oh **Eb Eb**  
**Cm** The words that were mend--the things that were broken **Fm**  
**Ab** But now its far too late she's gone away **Bb Eb**

**Eb**  
Every night you cry yourself to sleep  
**Cm** Thinking why does this happen to me  
**Adim** Why does every moment have to be so hard **Ab**  
**Bb** Hard to believe it

**Eb**  
It's not over tonight **Fm**  
Just give me one more chance to make it right **Ab**  
I may not make it through the night **Bb Eb**  
I won't go home without you

**Cm** The taste of her breath, I'll never get over **Fm**  
**Bb** And the noises that she make keep me awake oh **Eb Eb**  
**Cm** The weight of things that remain unspoken **Fm**  
**Ab** Built up so much it crushed us everyday **Bb Eb**

**Eb**  
Every night you cry yourself to sleep  
**Cm** Thinking why does this happen to me  
**Adim** Why does every moment have to be so hard **Ab**  
**Bb** Hard to believe it

**Eb**  
It's not over tonight **Fm**  
Just give me one more chance to make it right **Ab**  
I may not make it through the night **Bb Eb**  
I won't go home without you

**Eb**  
It's not over tonight **Fm**  
Just give me one more chance to make it right **Ab**  
I may not make it through the night **Bb Eb**  
I won't go home without you

**Db** Of all the things I felt I've never really showed **Ab Eb Bb**  
**Gb** Perhaps the worst is that I ever let you go, should **Ab Bb**  
**Bb** not ever let you go oh oh oh

**Eb**  
It's not over tonight **Fm**  
Just give me one more chance to make it right **Ab**  
I may not make it through the night **Bb Eb**  
I won't go home without you

**Eb**  
It's not over tonight **Fm**  
Just give me one more chance to make it right **Ab**  
I may not make it through the night **Bb Eb**  
I won't go home without you

I won't go home without you **Cm**  
I won't go home without you **Ab Eb**  
I won't go home without you
