

Mars Argo - Everything Turns To Gold

Tom: D

m [Intro] Dm F Bb F
Dm F Bb F A

She opened up her body

When the man was waiting

The medicine was failing

There was not a way she could say no

The scenery was shady

Was she thinking maybe
No one had a way to cut her down

And now she's in the corner crying

But i can see her sad song shining

And everything around her turns to gold

Bum bum bum bum bum bum bum

Bum bum bum bum

She opened up her body

The stranger said

I'm sorry, i know that you've been dreaming

But i have to take away your love now

I imagine he was angry

Maybe he was crazy

Maybe i'm amazed by what he did

And now she's in the corner crying

But i can see her sad song shining

And everything around her turns to gold

(C Db Dm)

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

She opened up her body

And woke up with a feeling

That something might be missing

She was coming back so fast now

the medicine was fading

It couldn't keep her guessing

I can understand why she fell down

(C Db Dm)

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum

Bum bum bum bum bum bum bum
