

Mars Argo - Runaway Runaway

Tom: C

C Em
Is there anybody listening?

C
Eager words are making me an awful mess

Em
You say you need me

C
We're running out of time

C
I guess I fear the fear of consequence

Em
You say you'll leave me

G F
But you'll be sorry

G F G
You are making me uneasy

F
You make me want to scream

C
I wish I was a dumb pop star

G
So the words wouldn't matter to you

C Em
Am I living an illusion?

C
I want to runaway, runaway, runaway

G
I feel like I'm losing control

G
Maybe I should let myself go

C
Because this is so predictable

C
Is there something that I'm missing?

C
My walls are caving in

Em
I can't hear what you are saying

F
I'm afraid of giving in

G F G
You are making me uneasy

F
You make me want to scream

G
I wish I was a dumb pop star

G C
So the words wouldn't matter to you

C Am
I living an illusion?

C Em
I want to runaway, runaway, runaway

G
I feel like I'm losing control

G
Maybe I should let myself go

C

Little time left to runaway

Em
Every time I get somewhere

C

C
I feel like I'm losing

G

Em
Little time left to runaway

C
Every time I get somewhere
