

## Marsheaux - Inhale

tom:

## G

Bm

D

# E

I woke up old today and so in pain

Bm D E  
I have to talk about things I can't explain

Bm D E  
I am feeling freeze and cold and about to explode

I try so hard to breathe but the air is gone

**Bm** **D** **A** **E**  
I need to breathe, to run and fly away

Bm

D

A

E

I am feeling suffocated, trapped and afraid

Bm D A E  
I need a dream, to take my fears away

**Bm**                      **D**                      **A**                      **E**  
I'm running out of time, so shake me to inhale

Bm

D

E

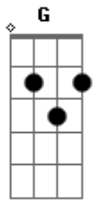

I want to scream until I have no voice

Bm D E  
I need to cry, to laugh, to feel a noise

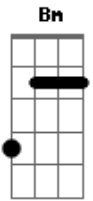

Bm D E  
I'm feeling bold and cold and about to explode

Bm D E  
I try so hard to breathe and the fear is gone
