

Marshmello - Happier

Tom: **C**

apotraste na 3ª casa

Intro: **Bm**
Lately, I've been, I've been thinking

I want you to be happier, I want you to be happier

[Primeira Parte]

When the morning comes

When we see what we've become

In the cold light of day we're a flame in the wind
Not the fire that we've begun

Every argument, every word we can't take back
'Cause with the all that has happened

I think that we both know the way that the story ends

[Refrão]

Then only for a minute

I want to change my mind
'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but
Know that means I'll have to leave

(**Bm** **D**)

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happier

[Segunda Parte]

When the evening falls

And I'm left there with my thoughts

And the image of you being with someone else

Well, that's eating me up inside

But we run our course, we pretended we're okay

Now if we jump together at least we can swim
Far away from the wreck we made

[Refrão]

Then only for a minute

I want to change my mind
'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but
Know that means I'll have to leave

(**Bm** **D** **G**)

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happier

[Ponte]

So I'll go, I'll go

I will go, go, go

So I'll go, I'll go

I will go, go, go

[Pré-Refrão]

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happier

Even though I might not like this

I think that you'll be happier, I want you to be happier

[Refrão]

Then only for a minute

I want to change my mind
'Cause this just don't feel right to me

I want to raise your spirits

I want to see you smile but
Know that means I'll have to leave

(**Bm** **D** **G**)

Know that means I'll have to leave

Lately, I've been, I've been thinking

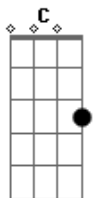

I want you to be happier, I want you to be happier

[Terceira Parte]

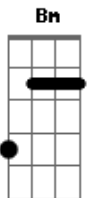

So I'll go, I'll go

I will go, go, go
