

Marshmello - One Thing Right (feat. Kane Brown)

Tom: E

|?ve got nothing to hide no more

Broken people down with words
More grace than | deserve, for sure

Known to be crazy, known to be wild
Mama had herself a little devilish child
Ain't no stranger to the troubles at my door

Chasin' all the wrong things most of my life
Been every kinda lost that you can't find
But | got one thing right
Been the kinda guy girls' mamas don't like
Runnin? with the wrong crowd on the wrong nights
?Cause |'ve been wrong about a million times
,But | got one thing right: You

(Baby, | got one thing right)
(Baby, | got one thing right)
| got you
(Baby, | got one thing right)
| got one thing right

You saw right through my pain
Kept us patient while | changed
Never even crossed your mind to walk away (walk away)
When | was gettin? crazy, reckless, and wild
Actin' like my mama's little devilish child

Chasin' all the wrong things most of my life
Been every kinda lost that you can't find
But | got one thing right
Been the kinda guy girls' mamas don't like
Runnin? with the wrong crowd on the wrong nights
?Cause |'ve been wrong about a million times
,But | got one thing right: You
(Baby, | got one thing right)
(Baby, | got one thing right)
| got you
(Baby, | got one thing right)
| got one thing right

But | got one thing right
| got one thing right

Chasin' all the wrong things most of my life
Been every kinda lost that you can't find
But | got one thing right (| got one thing right)
Been the kinda guy girls' mamas don't like
Runnin' with the wrong crowd on the wrong nights
But | got one thing right: You
(Baby, | got one thing right)
(Baby, | got one thing right)
Yeah, | got you

(Baby, | got one thing right)
| got one thing right

Chasin' all the wrong things most of my life
Been every kinda lost that you can't find
But | got one thing right (| got one thing right)
