

Marshmello - Spotlight (feat. Lil Peep)

Tom: A
Intro:

Em G A
Loving you is like a fairytale
Em G A
I just can't pick up the phone again
Em G A
This time I'll be on my own, my friend
Em G A
One more time, I'm all alone again

Em G A
Sex with you is like I'm dreaming, and
Em G A
I just wanna hear you scream again
Em G A
Now you're gone, I can't believe that
Em G A
Time I spent with you deceiving me
Em G A
I don't care if you believe in me
Em G A
I still wonder why you're leaving me
Em G A
I don't care if you believe me
Em G A
I still wonder why you tease me

Em G A
And if I'm taking this the wrong way
Em G A
I hope you know that you can tell me whatever you're thinking
Em G A
It's when you put me in the spotlight (spotlight)
Em G A
I hope you know I'm faded, all of this liquor I'm drinking
Em G A
And if I'm taking this the wrong way (wrong way)
Em G A
I hope you know that you can tell me whatever you're thinking
Em G A
It's when you put me in the spotlight (spotlight)
Em G A
It's when you put me in the spotlight (spotlight)

Em G A
When the moon hit your skin
Em G A
I could see you and him
Em G A
Not you and me, yeah
Em G A
But it's just you and me, yeah
Em G A
When the sun shines above

Em G A
You wake up with the one you love
Em G A
Not you and me, yeah
Em G A
But it's just you and me, yeah
Em G A
(All alone again)
