

# Martin Garrix - Don't Look Down

Tom: C

Is your <sup>Am</sup> head spinning?  
 (Am )  
 Is your heart racing?  
<sup>F</sup> Is there fire in your <sup>C</sup> veins?  
<sup>Am</sup> Are your bones burning?  
 (Am )  
 Is your skin yearning?  
<sup>F</sup> 'Cause you're driving me <sup>C</sup> insane

I kinda <sup>Am</sup> feel like I feel like I <sup>(Am )</sup> saw the light  
<sup>F</sup> You got me way up a thousand <sup>C</sup> miles  
<sup>Am</sup> Can we stay right here in this <sup>(Am )</sup> atmosphere  
<sup>F</sup> Like we're flying out in <sup>C</sup> space

Don't look down <sup>G</sup> <sup>Am</sup>  
<sup>F</sup> Up this high, we'll never hit the <sup>C</sup> ground  
<sup>G</sup> Don't look down <sup>Am</sup>  
<sup>F</sup> See that sky? We're gonna reach it <sup>C</sup> now  
<sup>G</sup> Do you feel the lightning inside of you <sup>Am</sup>  
<sup>F</sup> Will you follow through if I <sup>C</sup> fall for you?  
<sup>G</sup> Don't look down <sup>Am</sup>  
<sup>F</sup> <sup>C</sup>

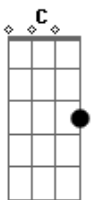

Up this high, we'll never hit the ground

Are your <sup>Am</sup> hands shaking?  
 (Am )  
 Are your fears breaking?  
<sup>F</sup> Are you climbing all the <sup>C</sup> walls?  
<sup>Am</sup> Are the times changing?  
 (Am )  
 Is the noise fading?  
<sup>F</sup> 'Cause I wanna get it all <sup>C</sup>

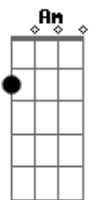

I kinda <sup>Am</sup> feel like I feel like I <sup>(Am )</sup> saw the light  
<sup>F</sup> You got me way up a thousand <sup>C</sup> miles  
<sup>Am</sup> Can we stay right here in this <sup>(Am )</sup> atmosphere  
<sup>F</sup> Or are you afraid to <sup>C</sup> fall?

Don't look down <sup>G</sup> <sup>Am</sup>  
<sup>F</sup> Up this high, we'll never hit the <sup>C</sup> ground  
<sup>G</sup> Don't look down <sup>Am</sup>  
<sup>F</sup> See that sky? We're gonna reach it <sup>C</sup> now  
<sup>G</sup> Do you feel the lightning inside of you <sup>Am</sup>  
<sup>F</sup> Will you follow through if I <sup>C</sup> fall for you?  
<sup>G</sup> Don't look down <sup>Am</sup>  
<sup>F</sup> <sup>C</sup>  
 Up this high, we'll never hit the ground
