

Martin Jensen - Wait (feat. Loote)

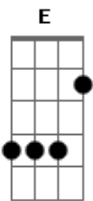

tom:
 B
 When times are hard, feels out of place
 Our fading love takes us back to yesterday
 The bed is cold from our mistakes
 Seat's so empty though we never liked the space
 E
 Woke up home half drunk
 Got a feeling we ain't done
 'Cause anywhere you run
 Gb
 No one's gonna know you better
 'Cause I was your first one
 B
 Back when we were so young
 You can go and have your fun
 Gb
 I know we still wake up together
 E B
 Yeaeaah, I'll stay
 Abm Gb
 I'll hold you, every day, every day
 E B
 I'll wait, I'll stay
 Abm Gb
 I told you, every day

 We're trapped inside these paper walls

Side by side, stick together when we're apart
 All these years, the high and lows
 All we know is us, now we can't let it go

 Woke up home half drunk
 Got a feeling we ain't done
 Abm
 'Cause anywhere you run
 Gb
 No one's gonna know you better
 E
 'Cause I was your first one
 B
 Back when we were so young
 Abm
 Oh, you can go and have your fun
 Gb
 I know we still wake up together
 E B
 Yeaeaah, I'll stay
 Abm Gb
 I'll hold you, every day, every day
