

# Martina Stoessel - Born To Shine

Tom: E

Every dream has a heartbeat  
 Listen to it, listen to it  
 And it won't let you sleep  
 It's whispering, whispering  
 You wake and it's in your breath  
 It's everything, everything  
 You know it's meant to be

And it's gonna set you free  
 There's a light in your eyes and it's magic  
 Everybody's gonna see that you have it  
 There's a voice saying gonna make it happen  
 Can't stop it, can't stop it  
 Go go, no never give up  
 And no no, everything that you touch  
 Becomes alive right before your eyes  
 You were born to shine
