

# Martina Stoessel - Losing the love

Tom: F

(com acordes na forma de G )

Afinação: D G C F A D

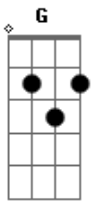

Your arrow shot, straight trough my heart  
 Let in the light, push past the dark  
 We once we're young, but now we're only safe our face  
 We could never change the blood flow  
 Still looking back but see no trace

This love is a fever and I'm hit  
 Can't standing on bleeding, let me in  
 We're losing the loooove  
 We're losing the loooove  
 This love was a shelter  
 From the storm  
 I love to come home too, never more  
 We're losing the loooooove  
 We're losing the loooooove
