

Martinho da Vila - Boa Noite

tom:

G

Boa noite, Vila Isabel!

Quero brincar o Carnaval na terra de Noel

Boa noite, diretor de bateria!

Quero contar com a sua marcação

Boa noite, sambistas e compositores, presidente e diretores!

Pra Vila eu trago toda a minha inspiração

Quero acertar com o diretor de harmonia

E as pastoras o tom da minha melodia

A a a a a a a a... Ó ó ó ó ó ó ó ó

Ô ô ô ô ô ô ô ô... Lalará, lalará, la ra rá

Passistas, mestres-sala, ritmistas

Quero ver Samba feito com animação

Eu quero ver as alas reunidas

Baianas brilhando no carnaval

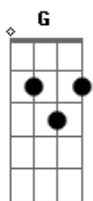

Eu quero ver a Vila destemida

Fazendo evolução monumental

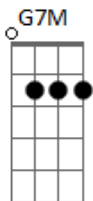

A a a a a a a a... Ó ó ó ó ó ó ó ó

Ô ô ô ô ô ô ô ô... Lalará, lalará, la ra rá
