

Martinho da Vila - Êta Mundo Grande

tom:

A

A Gb7 Bm

Êta mundo grande

Cheio de beleza

Com esta imensa natureza

Que o bom Deus criou

Este mundão foi feito

Pra se vadiar

Mas o que vale nesta vida

É o que se faz, o que se sonha

E o que se ama

Quem vê o mundo

Com os olhos de poesia

Descobre filosofia

Até num dito popular

Dos desenganados

Colhe sempre ensinamentos

Tira sons de um lamento

Pra poder cantarolar

Se sobrevive

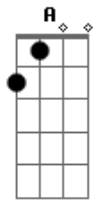

É se entregando à alegria

Pois é certo que a tristeza

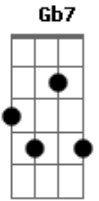

Não se deve cultivar
