

Martinn & Valley - In These Days

tom:

G
 Desert streets
G D
 Only birds on the squares
G D
 The empty bench in the fog
G
 Where lovers sat before

G D
 The lonely nights
G
 Just some few lights
G D
 From windows somewhere
C D
 There's no moonlight

G D
 In these days
G D D
 Nothing is the same

G D
 But keep your faith
G D G
 You and I we'll be OK

G D
 In the big city
G
 And in the country side
G D
 Just the sound of the wind
G
 Silence hurts sometimes

Em C Em
 Something is in the air
C Em
 And we can't see
Bm
 Young and old
C
 Rich and poor
Am D
 We're all the same
Am D
 In these days
