

Marvin Gaye - Lucky lucky me

Tom: C

Bb Ab Bb F
 Lady Luck shows my love me
 Oh, When she blessed me with your loving charms
 I've found my place in the sun
 With heaven right here in your arms
 I feel so lucky, so lucky baby
 Oh, lucky to be loved by you
 And I wanna thank you, thank you baby
 For all the little loving things you do
 I got to tell the world about it
 I've got to stand right up and shout it
 Hey! Look at lucky me
 Ooh, baby Ooh, baby
 I don't mind stormy weather
 The rain no longer makes me blue
 And I don't care when my friends all get together
 And leave me out of everything they do
 It's alright if the sun don't shine

It's impossible to darken my day
 Makes no difference if I don't have a dime
 I'll be wealthy anyway
 Mmm, I'm no good without you
 But listen baby, as long as I got you
 Hey! Look at lucky me
 Hey! Ooh, baby
 (F G A Bb C)
 In my life there's no misfortune
 No struggle or strife today
 You're my lucky charm, my guiding star
 So just smile and chase them blues away
 I can't help it baby, you're so wonderful
 Oh, How lucky can a-one man be
 Oh, your tenderness and sweet caress,
 And it all belongs to me
 I wanna tell the world about it
 I wanna stand right up and shout it
 Hey! Look at lucky me
