

Mary Black - Caledonia

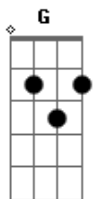

tom:

Intro:

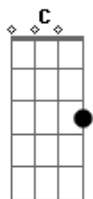

^G
^C I don't know if you can see
^{Am} The changes that have come over me
^C In these last few days I've been afraid
^{Am} That I might drift away
^C I've been telling stories, singing songs
^{Am} That make me think about where I come from
^C That's the reason why I seem
^{Am} So far away today
^C Let me tell you that I love you
^{Am} That I think about you all the time
^C Caledonia you're calling me

Now I'm going home
^C But if I shall become a stranger
^{Am} Know that it would make me more than sad
^G Caledonia's been everything I've ever had
^C
 Now I have moved and kept on moving
 Proved the points that I needed proving
 Lost the friends that I needed losing
 Found others on the way
 I have kissed the lads and left them crying
 Stolen dreams, yes there's no denying
 I have travelled hard sometimes with conscience
 Flying
 Somewhere in the wind
^C
 Now I'm sitting here before the fire
 The empty room, a forest choir
 The flames have cooled. don't get any higher
 They've withered now they've gone
 But I'm steady thinking my way is clear
 And I know what I will do tomorrow
 When hands have shaken, the kisses flowed
 Then I will disappear
