

# Mary Cruz - Holy Eucharist

tom: D

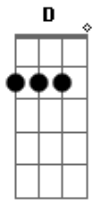

Holy Eucharist, when I receive You  
 My soul was afflicted before I encountered you  
 With your easy yoke that reaches me  
 Oh my God, come and live in me

Holy Eucharist inflame my soul

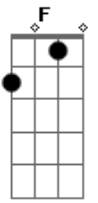

Come and take away every darkness in me  
 Cleanse my soul with your power

Holy Eucharist to worship you is my life  
 To experience your fragility made me see  
 That your love is endless  
 You came into the world to live in me  
 Holy Eucharist ? . of love
