

Maskavo - Vila de São Jorge

tom:

C

Intro: F7M C7M Am- F7M Bm

Os pés na terra

Inspiração

O Sol da manhã

Trazendo Luz

Fé eterna

Meditação

A alma nua

Que me conduz

São Jorge cavaleiro guerreiro

Preserva as minas de cristal

Me acolhe aqui eu por inteiro

Me afasta de todo o mal

Vila de chão

Em comunhão

Comunidade

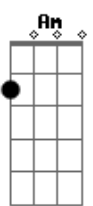

Estou em Paz

A correnteza

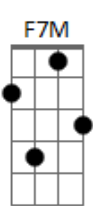

Da cachoeira

Imensidão

Vida que flui

São Jorge cavaleiro guerreiro

Preserva as minas de cristal

Me acolhe aqui eu por inteiro

Me afasta de todo o mal

Respirar a Paz

Ver que tudo tem seu lado bom

Gratidão demais
