

# Masked Intruder - Unrequited Love

Tom: A

I'm in love, unrequited love

Nobody cares for me

I'm in love, I'm in unrequited love

Nobody cares for me

Every single day is lonelier than the last

Cried so many tears that I had to wring out my mask

Eating my banana splits alone is awful cold

Nobody

And life's so lonely when there's no one there to hold

Seems cold and lonely is the way it's always gonna be, 'cause

I'm in love, unrequited love...

Every single day is lonelier than the last...

Solo: ( A Gbm D G E )

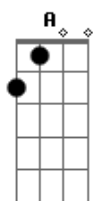

( A Gbm D Dm )

I'm in love, unrequited love...

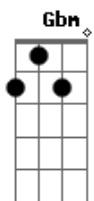

I'm in love, unrequited love...

Nobody cares for me
