

# Maskeep - Borderline

tom:

Em

E

It's hard to know what I feel  
When everything comes at once  
All the thoughts become unreal  
And I don't know if I should trust

A  
People say I should smile  
That I should look good, fine

E  
It's easy for them to say  
They aren't looking straight, yeah

E  
My mind became a blur  
I wish I had met her  
Before the storm  
That was formed inside me

A  
Sometimes I laugh 'til I cry  
And I cry 'til I get high

( B Bb A )

E G  
Why I have to be fine

E A  
All the damn time?

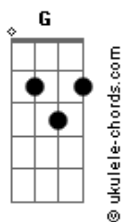

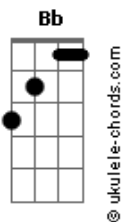

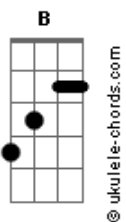

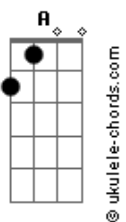

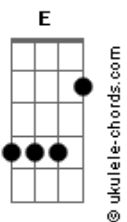

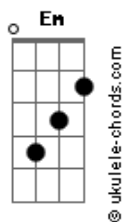

E G  
Why I have to pretend  
That everything is alright

E G  
Can we be honest

E A  
Once in a lifetime?

E G Bb A G  
Everybody's on the border line

## Acordes

It's hard to know what I feel  
When everything comes at once  
All the thoughts become unreal  
And I don't know if I should trust
