Venha brincar Vamor cair nessa folia
 São João é alegria E ninguém pode cochilar,ê,ô
 Quero você Pra acender minha fogueira
 E dançar a noite inteira No "arraiaí da capitá"

Nossa Bahia com o forró Vem esquentar
 No resfulengo do fole E da sanfona a tocar
 Nessa brincadeira Todos dançam com amor
 Na festa do interior Ou no "arraiaí da capitá"
 Mais quente que a fogueira É a sanfona a tocar
 Animando a galera Na festança do "arraiaí"
 Ê,Ô,Ê,Ô,Ê,Ô,Ê,Â,Ê,Â,Ê,Â
 É o grito da galera no "arraiaí da capitá"
