

# Mastruz com Leite - Passeando Pelo Sertão

Tom: C  
Intro: Am Em F C Dm Am F E

Am  
Passeando em poesia  
(G Am )  
Pelo sertão

Me encantei com melodias de verão

Am )  
De um sol forte no meu rosto a tocar

Vi sinfonia em plena madrugada

Vi o canto, cantar da passarada

Vi o amor bem mais forte, vi paixão

Vi vaqueiro levando sua boiada

Aboiando e cantando pra sua amada

Ab Am )  
Que sorrindo estava a lhe esperar

Vi mulheres santas vestidas de Maria

Que no Sol forte todo dia

Iam pra roça trabalhar

Vi o romance do Sol e da Lua

O Sol declamando pra deusa nua

Todo seu amor

Vi caboclo tocando sua viola

E uma sanfona tocando, toda hora

Animando meu sertão

Animando meu sertão

Animando meu sertão

Animando meu sertão
