

# Mastruz com Leite - Se Lembra Coração

Tom: G

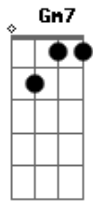

Pra onde você for me leve com você  
 Não deixe de querer  
 Nem de gostar de mim!  
 Pra onde você for eu quero ir com você  
 Não quero te perder

Viver longe assim!  
 Me leve na cabeça,  
 Ou antes que eu me esqueça  
 Você pode me levar na fotografia  
 Ou se escutar no rádio uma canção  
 Se lembra coração  
 Se lembra coração
