Well you come on thinking for open the door
 You better pick on your feet or gonna fall on the floor
 I keep on telling you and I tell you some more

C F
 you better leave that junk alone and drink water

F
 Lord that liquor is hard drink water
 You don't wanna be assault
 You better lay down the bottle
 And put it on the top and drink

C F
 Culleistuo

F
 Well your eyes are begging and the bloodshot are ready
 It's been a weak or two since you've been in bed
 You better pay attention to what I say

C F

You better leave that junk alone and drink water

F
 Lord that liquor is hard drink water
 You don't wanna be assault
 You better lay down the bottle
 And put it on the top and drink

C F
 Culleistuo

F
 Well i forgive for you running around
 If you just promess that you come unwild
 I buy you anything that you want in town
 C F
 If you leave that junk alone and drink water

F
 Lord that liquor is hard drink water
 You don't wanna be assault
 You better lay down the bottle
 And put it on the top and drink

C F
