

# Matchbox Twenty - Here Come Horses

Tom: C

Help me to remember girl if you don't mind  
 Well I feel just like the jester when the music died  
 Haven't seen you lately,  
 But I know that nothing's changed  
 Feeling kinda shaky but the wounds have healed  
 There's a crack there in the doorway where the walls have peeled  
 And I still see the sun go down on a clear day

Here comes horses  
 There goes the rain  
 Here goes nothing, here it comes again

I was thinking I was angry but I'll let it go  
 I was waiting on a miracle but nothing showed

And they say our new messiah

He's at the local bar

Greetings from the homefront have you heard the news  
 That daddy bet his paycheck on the horses shoes

And we won't feel that way for a long long time

Here comes horses  
 There goes the rain  
 Here goes nothing, here it comes again  
 Sitting in a taxi at the evenings end  
 I was trying to remember where it was I'd been and  
 Whether I've got someplace else to be  
 I ask you why you come here you say just because  
 I guess I could do without it if I knew what it was well  
 It really doesn't matter, when you look at me that way

Here comes horses  
 There goes the rain  
 Here goes nothing, here it comes again

Here comes horses  
 There goes the rain  
 Here goes nothing
