Matchbox Twenty - I'll Believe You When

Tom: A
Intro: 2x:

```
Bm                    E
I want to make you sing, darlin'
Bm                    E
I want to make you run
Bm                E
I want to sew on wings, darlin'
    A        E        D
And fly right over the sun

Bm                        E
There's a bustle in the wind, darlin'
Bm                       E
There's a bustle in the road
Bm                      E
I want to tell you what I see, darlin'
      A       E        D
When I look over to you

    A E         D      E
See I believe in everything
          A        E         D
But sometimes life don't work that way
A       E       D       E
All the love, and all the waiting
D
I don't want to wait no more
D                          E
I don't want to wait no more

No more

Bm                          E
Some people want to bring the change, darlin'
Bm                      E
Some people want to be the one
Bm                     E
I only want to see your face smilin'
      A       E        D
When all our livin' is done
```

Ponte 1:
```
Bm                              E
Well everyone around us feel their heart is stomping
Bm                              E
Crowding up the air with words they cannot know
Bm                    E
```

```
They hate this world they'll hate this song, ya
     A        E      D
So I won't ever belong
     A        E      D
No I won't ever belong

      A E         D      E
See I believe in everything
          A        E         D
But sometimes life don't work that way
A       E       D       E
All the love, and all the waiting
D
I don't want to wait no more
D                          E
I don't want to wait no more
refrão
```

Ponte 2:
```
E
Is every conversation
                  D                  A
Gonna make you smile and hold your heart
                  D            A
We'll take this life and make it dark
                  D                    E
Because it's hard enough to be the way you are

      A E         D      E
See I believe in everything
          A        E         D
But sometimes life don't work that way
A       E       D       E
All the love, and all the waiting
D
I don't want to wait no more
D                          E
I don't want to wait no more

      Bm  D      A     E
See I believe in everything
          Bm       D        A
But sometimes life don't work that way
Bm      D       A       E
All the love, and all the waiting
D
I don't want to wait no more
D                          E
I don't want to wait no more
```
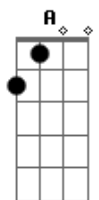

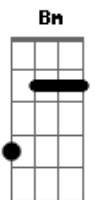

No more, no more
