 Intro: G D Em C  
           G D Em C  
 Verses:  
 Em C  
 Kody sat down on the avenue  
 Em C  
 He tapped his feet to the humming of the highway  
 Em C  
 He watched the light shine down on the broken glass  
           G D Em  
 And thought well I don't got no reasons yet  
           C  
 There it is and there it was  
 Em C  
 Now it was clear to all of us  
 Em C  
 We kept this hat of broken dreams  
 G D C  
 And we pulled it out when we needed them around  
 Chorus:  
 G D Em C  
 So please hand me the bottle I think I'm lonely now  
 G D A2  
 And please give me direction I think the hurt set in  
           C Bm G D Em  
 And I don't feel nothin'  
 C Em C  
 Verse chords:  
 There's a squeak hinge down on the back gate

It lets us know if he comes around  
 But I don't sleep that good anyway now  
 G D C  
 And if you've never heard that sound it's a God-awful  
 sound  
 Chorus:  
 So please hand me the bottle I think I'm lonely now  
 And please give me direction I think I just caved in  
           C Bm G D Em G D  
 Em  
 And I don't feel nothin'

 Hey I don't feel nothin' hey I don't feel nothin'  
                           D

 Verse Chords:
