

Matchbox Twenty - Leave

Tom: A

It's Amazing ^A

How you make your face just like a wall ^D

How you take your heart and turn it off ^{Gbm}

How I turn my head and lose it all ^{E E (D)}

It's Unnerving ^A

How just one move puts me by myself ^D

There you go just trusting someone else ^{Gbm}

Now I know I put us both through hell ^{E E}

[Pre-chorus]

I'm not saying ^D

There wasn't nothing wrong ^E

I just didn't think you'd ever get tired of me ^{A E Gbm}

I'm not saying ^D

We ever had the right to hold on ^E

I just didn't wanna let it away from me ^{Gbm}

[Chorus]

But if that's how it's gonna leave ^D

Straight out from underneath ^E

Then we'll see who's sorry now ^{Gbm}

If that's how it's gonna stand, when ^D

You know you've been depending on ^E

The one you're leaving now, the one you're leaving now ^{A Gbm (E)}

It's aggravating ^A

How you threw me on and you tore me out ^D

How your good intentions turn to doubt ^{Gbm}

The way you needed time to sort it out ^{E E (A)}

I'm not saying ^E

There wasn't nothing wrong ^A

I just didn't think you'd ever get tired of me ^{E Gbm}

I'm not saying ^D

We ever had the right to hold on ^E

I just couldn't ever let you get away from me ^{A E Gbm}

But if that's how you gonna leave ^D

Straight out from underneath ^E

Then we'll see who's sorry now ^{Gbm}

If that's how you gonna stand, when ^D

You know you've been depending on ^E

The one you're leaving now, the one you're leaving now ^{A Gbm (E)}

The one you're leaving now, now-no-no ^A

The one you're leaving now? ^{Gbm (E)}

I'm not saying ^D

There wasn't nothing wrong ^E

I didn't think ever you'd get tired of me ^{A Gbm}

But if that's how you gonna leave ^D

Straight out from underneath ^E

Then we'll see who's sorry now ^{Gbm}

If that's how you gonna stand, when ^D

You know you've been depending on ^E

The one you're leaving now now ^A

Hey well tell me is that how it's going to end ^D

When you know you've been depending on ^E

The one you're leaving now, the one you're leaving now ^{A Gbm (E)}

The one you're leaving now, now-no-no ^A

The one you're leaving now? ^{Gbm E}
