

Matchbox Twenty - You And I And I

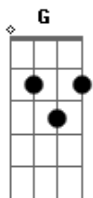

Tom: G

Intro: Em G D C Em G D C

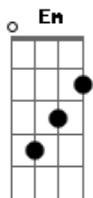

Yeah it's for sure
But things came down hard way
But you couldn't wait and (see)
Well all I ever think about is myself
well anyone else, well they get strung out
but I get high, high, high
Chorus1:
But it's something, you better be straight
I ain't got no room in my (heart/life)
it's up the anchor and set it (free/straight), yeah
Chorus2:
STOP, well I, I don't wanna thank you
Honey I don't think so, you'd better stop
well try, and if there's a distance here between us
It's you and I, and I
Yeah well it's a shame, you pander to me
C'mon stroke on my ego
well like I've never been dumped before (yeah/here) by anyone else

and what doesn't kill you, it makes you linger
it makes you wonder, YEAH
for goodness sake have you ever been asleep
thinking one thing I'd be here,
and what doesn't kill you, doesn't stay, YEAH yeah
STOP, well I, I don't wanna thank you
Honey I don't think so, you'd better stop
well try, and if there's a distance here between us
It's you and I, and I
guitar solo
But it's something, you better be straight
I ain't got no room in my (heart/life)
it's up the anchor and set it (free/straight), yeah
STOP, well I, I don't wanna thank you
Honey I don't think so, you'd better stop
well try, and if there's a distance here between us
It's you and I, and I and I and I
STOP, well I, I don't wanna thank you
Honey I don't think so, you'd better stop
well try, and if there's a distance here between us
It's you and I, and I
