

Mateus Alves - Minha Estrela

Tom: **D**

A **E**
 Havia um céu escuro e triste,
D **E**
 Mas uma estrela o clareou,
D **Gbm** **E** (**D** **Dbm** **B** **A**)
 Com seu brilho intenso iluminou

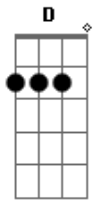

A **E**
 Mais que depressa tomei
D **E**
 Essa estrela para mim
Gbm **E**
 E me entreguei, me envolvi
G **E**

Com esse amor

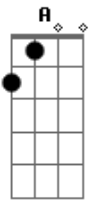

A **E**
 Minha estrela
D **E**
 Vem a noite pra brilhar
A **E** **D** **E**
 Clareando o desejo de amar
Gbm **E** **A** **E**
 Palavras ficam mudas quando fala o coração

Bm
 Se hoje sou feliz,
D **E**
 Você é a razão
 (**E** **A**) (2x)
