

Matheus Fragoso - Tua Mão

tom:

Intro: F
 O medo me aflige
 O inimigo insiste em me atingir
 Creio em ti, Senhor
 Mas sou fraco demais
 Pra suportar tamanha dor
 Muitas vezes quis desistir
 Do santo dom que me destes
 Mas Tua mão me levantou

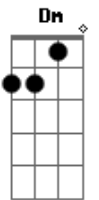

Do chão

Quando não tenho mais saída
 É a ti que recorro, ó Pai
 Sei que não me abandonas
 Tens um plano pra mim
 Senhor, Tu és a minha força
 Meu refúgio és tu, Senhor
 Quando as trevas vem
 Tua mão as detém
 Nenhum mal me atingirá
 Enquanto Tua mão eu segurar
