

Matheus Gerhard - Além do Entendimento

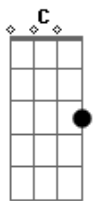

tom: C

Ao invés de me preocupar
 Vou transformar o meu lamento em fé
 Ao deixar minha súplica no altar
 O meu receio vira uma oração
 Sem que eu perceba Tu virás com Tua paz a me acalmar

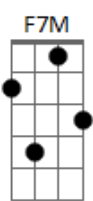

Ao invés de me preocupar
 Vou transformar o meu lamento em fé
 Ao deixar minha súplica no altar
 O meu receio vira uma oração
 Sem que eu perceba Tu virás com Tua paz a me acalmar

É tão maravilhoso perceber o que acontece quando vens
 E tiras do centro do viver o que não traz paz, Tua paz, paz
