Tom: F

Intro: Bb Am Gm C Bb Am Gm F C

F Bb Am
Montei o baio mais lindo da minha tropilha
Gm C F
Com jeito de tapejara, este redomão
F Bb Am
Doce de boca, atende meu pensamento
Gm C Gb F Gm Am Bb
Parece até que adivinha o meu coração

Bb C Am D7
Com alma de primavera busquei teu sorriso
Gm C F
Que estrada longa é caminho pra junto aos seus
Bb C Am D7
Voltar de novo é um regalo de quem espera
Gm C F
Talvez um pouco mais perto e pedir por Deus

Bb C
Teus olhos me pealaram
Am D7
Porque o destino assim quis
Gm Am Bb

Vida e calor de braseiro
B C F
Dos teus segredos plantados em mim

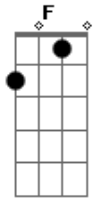

Bb C Am Cm Dm Gm C Cm F
Bb C Am Cm Dm Gm Am Bb B C

F Bb Am
Será uma saudade sentida este meu retorno
Gm C F
De um tempo que não renega o que a gente faz
F Bb Am
Alguma ausência de ti, me trouxe de volta
Gm C Gb F Gm Am Bb
Talvez uma dor campeira ficou pra trás

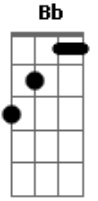

Bb C Am D7
Meu baio apressa o trote batendo casco
Gm C F
Porque o meu sentimento não esperou
Bb C Am D7
Se foi na frente com o vento e no teu rosto
Gm C F
Secou a cacimba dos olhos de quem chorou.
