

Matheus Who - Serious Thing

tom:

Eb

Eb7M

Sorry, I can't go to your apartment

Right now (right now)

You really hurted me last night

(and I'm on my way!)

Ab7M

'cause when you like it like that

Eb7M

When you like it like that, oh oh oh

Eb7M

Maybe I could try to hide my feelings

For you (for you)

I know this wasn't what you've planned

(and I'm on my way!)

Ab7M

'cause when you like it like that

Eb7M

When you like it like that, oh oh oh

Ab7M

We could be chasing the sun

Writing songs about someone

Eb7M

I'll pretend that I'm not drunk

You'll pretend I'm the only one

Ab7M

We could be a serious thing, so sincereous

Eb7M

But you're playing

(saying that you like it like that)

(**Eb7M** **Ab7M**)

Eb7M

Promise me

Acordes

That you're gonna stay the same

With me when you wake up

Ab7M

'cause when you like it like that

Eb7M

When you like it like that, oh oh oh

Eb7M

Well... I don't wanna be another one in your life

I don't wanna be one of those boys in the night

Ab7M

'cause when you like it like that

Eb7M

When you like it like that, oh oh oh

Ab7M

We could be chasing the sun

Writing songs about someone

Eb7M

I'll pretend that I'm not drunk

You'll pretend I'm the only one

Ab7M

We could be a serious thing, so sincereous

Eb7M

But you're playing

Ab7M

We could be a serious thing, so sincereous

Eb7M

But you're playing

Ab7M

We could be a serious thing, so sincereous

Eb7M

But you're playing

Ab7M

We could be a serious thing, so sincereous

Eb7M

But you're playing

Ab7M

Eb7M

We could be a serious thing

Ab7M

Eb7M

We could be a serious thing

Ab7M

Eb7M

We could be a serious thing

Ab7M

Eb7M

We could be a serious thing
