Started feelin' like nobody cared at all

[Refrão]

Am7 D  
But then you called, only to say  
G G7M Em7  
You'll never love somebody else this way

And though I'm still battered and bruised  
G G7M Em7  
I forgave the world the day that I met you  
Am7 D  
Mm-mm, mm-mm

The people talk, it's background noise

It's like lavender came and never left
