

Matisyahu - Broken Car

Tom: C

Am G C
Welcome to my broken car

F Am
It don't move fast but it go so far

G C
Though you might bang your head or scrape your toes

F Am
Fred Flintstone with my feet on through the holes

G C
But don't you worry now, don't you worry

F Am
Cause it will get you there

G C F
Where you need to go, where you need to go, where you need to go?

Am G
Over the hillsides and the valleys far and wide

C F Am G
Where the sun goes and the sky it shines

C F
Fire gonna rage tonight

Am G C
Welcome to my broken home
It's not so fancy

F
Made from sticks and stones

Am
It's often empty

G
I hope you like to be alone

C
You can stare out the window

F Am
Until you find your zone

G
Take cover from the bombs and the bullets

C
Take time to heal your wounds

F
Forget what they told you

Am G C F
Just listen on to the tunes, listenin' to the tune

Am G C F

Am G
Welcome to my broken house

C F
You don't have to tip toe here

Am
You can put ya feet down

G

Feel the floor beneath you

C
Feel the ground

F
Don't worry bout the future

Am
You're here right now

G
Unpack your bags

C
And relax for a while
Rest your weary eyes

F Am
I know you've been tired

G F
Where do you need to go

C
Where you got to be

F
Where do you need to go

Am
I'm your taxi

G C F
Don't you worry, don't you worry now, don't you worry now

Am
Fire gonna rage tonight

G C
Welcome to my broken heart

F Am
I know it's hard sometime you fall apart

G C
Welcome to my broken song

F
Don't worry now baby

Am
You ain't done nothing wrong

G C
Welcome to my broken heart

F Am
I know it's hard sometimes you fall apart

G C
Welcome to my broken song

F
Don't worry now baby

Am
You ain't done nothing wrong

G C F
Where you need to go, where you need to go, where you need to go

Am G C F
