

Matisyahu - I Will Be Light

Tom: G

Sit back in these days, remember my ways
 Oh will I get out of my cage?
 Yes I am a slave
 Searching for some freedom, searching for some freedom

So intend and sing them songs just about memories
 What is a man with no history?
 Where am I? Who am I?
 What is this place? We're just spinning in space

I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo

Time will continue without you
 So in the end It's not about you
 But, what did you do? Who do you love besides you?
 Beside you, many died in the name of vanity
 Many died, in their mind's eye, for justice
 We die for you and still do
 So I say to you: this is nothing new

I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo

I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 Tiny moment in time for life, to shine, shine, to burn away the darkness
 You've got one tiny moment in time for life, to shine, to burn away the darkness
 You've got one moment in time for life, to shine, shine, to burn away the darkness
 You've got one tiny moment in time for life, to shine, to shine, to burn away the darkness
 You've got one tiny moment in time for life, to shine, to burn away the darkness
 You've got one tiny moment in time for life, to shine, to burn away the darkness
 You've got one tiny moment in time for life, to shine, to burn away the darkness
 Said one tiny moment in time, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, light, light, light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
 I will be light, oh yo yo yo yo
