(com acordes na forma de G)
 Capotraste na 3ª casa
 Intro: G C Em D (2x)

Verse 1:

Feel like the world don't love you
 They only want to push you away
 Some days people don't see you
 You feel like you're in the way
 Today you feel, as if everyone hates
 Pointing their fingers, looking at your mistakes
 You do good, they want great
 No matter what you give they still want to take
 Give your love and they throw it back
 You give your heart they go on attack
 When there's nothing left for you,
 Only thing that you can do, say

Chorus:

Today, today, live like you wanna,
 Let yesterday burn and throw it in
 A fire, in a fire, in a fire,
 Fight like a Warrior

(Repeat Chorus)

Verse 2

Some things you should let go,

They're only gonna pull you down,
 Just like weight on your shoulder,
 They are only gonna make you drown
 We all swing high, we all swing low,
 We all got secrets people don't know
 We all got dreams we can't let go,
 We want to be brave, Don't be afraid ohh

Chorus:

Today, today, live like you wanna,
 Let yesterday burn and throw it in
 A fire, in a fire, in a fire,
 Fight like a Warrior

(Repeat Chorus)

Verse 3

Your heart is too heavy from things you carry a long time,
 You been up you been down, tired and you don't know why,
 But you're never gonna go back, you only live one life
 Let go, let go, let goooooo, Let go, let go, let goooooo

Chorus:

Today, today, live like you wanna,
 Let yesterday burn and throw it in
 A fire, in a fire, in a fire,
 Fight like a Warrior

(Repeat Chorus 3 more times)
