

Matisyahu - Sunshine

Tom: G

^{Em} Keep on moving to the ^C first rays of dawn
^D Keeping it on 'til the day stays strong
^{Em} ^C Runnin 'til the night time blazes on
^D ^G All along, I keep singing my song
^{Em} ^C I said, this phase is always
^D ^G Sometimes I get so crazed
^{Em} ^C But just know that I'll always stay
^D ^G Cause you're my light through the haze

^{Em} ^C Its time for a champion
^D ^G Soothe the soul of the land
^{Em} ^C Mend the heart from the sea and the sand
^D ^G Till the sun comes up again [x2]

chorus:
^{Em} ^C ^D ^G Reach for the sky Keep your eye on the prize
^G ^C ^D ^G Forever in my mind Be my golden sunshine

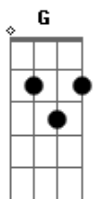

^{Em} ^C ^D ^G It's raining in your mind So push them clouds aside
^G ^C ^D ^G Forever by my side You're my golden sunshine

^{Em} ^C When the sun set I let myself down
^D ^G Found the ground beneath my feet gone
^{Em} ^C No more words were there to speak
^D ^G On that day my song was born
^{Em} ^C Never meant to leave you all alone
^D ^G Said I'd be your shelter from the storm
^{Em} ^C Now your clothes have all been torn
^D ^G Kingdom sacked attacked and dethroned

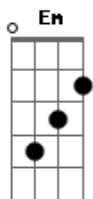

bridge:

^C ^{Em} It's the way of the world Your on your own
^C ^D Time to grow and be a man Want to fly high like peter pan
^C ^{Em} No more never never land So loose your backpack filled with sand
^C ^D Come along and take my hand We'll walk together- walk forever
