Tom: **D**

SOL0: (2x)

Intro: .: **Bm G D A Bm G D A Bm G D A**

Bm **G**
The world is moving to the song I hear,
D **A**
Who's that singing, wind is rushing in my ear,
Bm **G**
Mind gushing memories almost lost everything,
D **A**
Felony and fellows running in my dream,

Bm **G**
We were in the van where the hits were driving,
D **A**
Saw myself In the highlands at age 13
Bm **G**
And im asking questions to the present day me,
D **A**
Moving backwards down the hill see we were posting.

[Chorus]

Bm **G** **D**
A
Moonlight illuminate my night and my days sunray make the
people say
Bm **G**
Had a vision somethings missing so they're screaming out loud
D **A**
Keep my feet on ground and my head in the clouds.
Bm **G** **D**
A
I'm the arrow, you're my bow, shoot me forth and I will go
Bm **G**
And I know and I go and I go get up and go
D **A**
Make me feel its for real tell me what you know.

Bm **G**
I don't mean to glorify,
D **A**
Ate the apple of the tree and tried to lie,
Bm

In the garden ill remember
G
That's when I started to sing
D **A**
I said death brings life into uncertain things,
Bm
Classroom's not for me
G
Sun setting autumn breeze
D
Sound is moving like a chorus
A
Keep hearing that melody,
Bm **G**
Check the radio but theres nothing playing,
D **A**
Check the radio again but theres nothing playing.

[Chorus]

Rewind?

Dub-wise!

Bm **G**
Swing low, sweet chariot of flames
D
Change my name, No!
A
It Was always the same,
Bm **G**
Till if only what you find when you climb,
D **A**
Check the radio but of all that shines theres no time,
Bm **G**
My life is making your mind work in overtime,
D **A**
But along the line youll have to pay for the crime.
Bm **G**
Slow it down You turbo too soon,
D **A**
Vroom vroom then you want to blast off unto the moon,
Bm **G**
But you might get trapped in a temple of doom,
D **A**
You might get trapped in a temple of doom.

[Chorus]
