

Matogrosso & Mathias - Video Tape

Tom: C

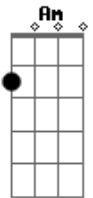

Limpei os pés
 No tapete da porta de entrada
 E indeciso
 Apertei o botão de chamada
 Ouvi seus passos
 Que se arrastavam e esperei
 Quando a porta se abriu
 Com o pranto no rosto
 Eu te abracei
 Te apertei no meu corpo
 E repassei o nosso video tape
 Num reprise total
 Fui remontando
 Nosso quebra-cabeça
 Peça por peça letra por letra
 No final descobri
 Que te amo bem mais
 Neste momento

Quando afaguei os seus cabelos
 Minhas mãos tremiam
 Busquei seus olhos
 Tentei ler o que neles haviam
 No seu silêncio percebi
 O quanto me enganei
 Você não me tocou
 Não senti emoção
 Só eu te amei
 Você não me esperou
 Só eu chorei
 De saudade de amor
 E te perdi
 Depois da porta
 Que vontade de entrar
 Mas me contive
 Não saí do lugar
 No tapete da porta
 Deixei os meus rastros e parti
