

# Matt Cardle - Amazing

tom:

[Primeira Parte]

I Had To Look Inside  
 This Fragile Heart Of Mine  
 To Find Exactly What It Was You Saw  
 I Had To Put Myself Back In The Firing Line  
 To Take The Shot That Knocked Me To The Floor

[Pré-Refrão]

I Was Down, Losing Faith, Oh I Was Lost In The Crowd  
 You Brought Me Round

[Refrão]

How Did You Find Me?  
 You Came Out Of Nowhere Like Lightning  
 It's Kind Of Amazing How You Found Me  
 Through All The Noise Somehow

[Segunda Parte]

I Was Pulling Empty Pales  
 Out Of The Wishing Well  
 Only Holy Water Breaks The Spell  
 I Had To Pinch Myself

'Cause I Knew All Too Well  
 The Stairway To Heaven Oh It Starts In Hell  
 [Pré-Refrão 2]

I Was Down, But Somehow An Angel Heard My Sound  
 And Brought Me Round

[Refrão]

How Did You Find Me?  
 You Came Out Of Nowhere Like Lightning  
 It's Kind Of Amazing How You Found Me  
 Through All The Noise Somehow  
 How Did You See Me?  
 Broke Through The Darkness And You Reached Me  
 Its Kind Of Amazing How You Found Me  
 Through All The Strangers Somehow

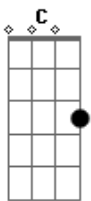

[Ponte]

Faith And A Little Patience For This Heart Of Mine  
 Though I Would Stay Here Waiting For The End Of Time

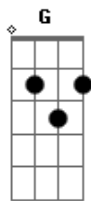

[Refrão]

Through All The Strangers Somehow  
 Somehow
