

Matt Costa - Desires Only Fling

Tom: **G**

Desire's Only Fling

This song is done with a 12 string guitar... but it sounds pretty good on a 6 string. I the Chorus is pretty good, but I may have messed up a little... I don't know. The sounds good, but it's done with simplicity in mind... The other Desire's Only Fling tab be better. If you want to combine it... combine it. If not... whatever. Peace out.
