

Matt Costa - Sweet Rose

Tom: A
Intro: A E A D A E A E

My sweet rose
As the two of us grow
I want you to know that nothing's quite as bad
As it seems when you're so sad
So remember my rose
Remember my rose

My sweet rose
I'd like to say
I'd like to say that no one always gets their way
And no one always thinks the same
My rose
Remember my rose
When the seasons cha a ange
And the sky turns grey a ey
When the leaves turn brow a own
I'll be arou a ound
My sweet rose
As the two of us change
I want you to know that
nothing stays the same
But you and I
We will remain
My rose
Remember my rose
Do do do do do do to do do do to do do
When the seasons cha a ange
And the sky turns gre a ey
When the leaves turn brow a own
I'll be arou a ound

I want you to know that
nothing stays the same
But you and I
We will remain
My rose
Remember my rose
My sweet rose
I want to be
I want to
Be the one to hold you tight
Have faith in me
I'll be your light
My rose
Remember my rose
