

Matt Maeson - Grave Digger

tom:

G

I can't run to you, father
 I need love

Gbm A D Gbm
 I can't talk to you, mother
 I know it's got you caught up

E D
 But your sweet sinless sensation
 Is not my style
 And I'm not giving up

Gbm A D
 But tell me if I run away
 How long will I bleed?
 So tell me if I run away
 How long will I bleed?

A D Gbm
 Colors blend
 They're all black and white
 God damn it, I can not bend
 I'm all shriveled inside

E D
 But your sweet sinless sensation
 Is not my style
 And I'm not giving up

Gbm A D
 But tell me if I run away
 Gbm A D
 How long will I bleed?
 Gbm A D
 So tell me if I run away
 Gbm A D Gbm
 How long will I bleed?

Gbm A
 Ain't no point in tryna picking me up
 D
 When I'm down
 Gbm A
 Yeah, you can stick out your hand
 D
 And you can lean towards the ground
 Gbm A
 I'll be tryna suck all of the liquid out the dirt
 D Gbm
 Tryna catch a curve, digging my own grave
 A D
 Ooh mama
 Gbm A
 I'll be tryna suck the liquid out the dirt
 D Gbm
 Tryna catch a curve, digging my own grave
 A D
 Ooh mama

E D
 But your sweet sinless sensation
 Gbm A
 Is not my style
 E D
 And I'm not giving up

Gbm A D
 But tell me if I run away
 Gbm A D
 How long will I bleed?
 Gbm A D
 So tell me if I run away
 Gbm A D
 How long will I bleed?
