

# Matt Maeson - Mr. Rattlebone

tom:

G  
[Primeira Parte]

C Em G  
You're like the calmest slit to my neck  
C  
Bring me in closer  
Em G C  
Spruce up my soul and you fill it with coal then you douse it  
in lava  
Em G  
Chained to my desk  
C  
Beckoning nausea  
Em G C  
Desperately chosen from a crowd of one, and I?

[Refrão]

Em G C  
Call me "Mr. Rattlebone"  
Em G C  
Holy Ghost who haunts your home  
Em G C  
They don't know you like I know  
Em G C  
Call me "Mr. Rattlebone"

[Segunda Parte]

Em G  
That's right, "fuck all the drama," I'll be your muse

C G  
Now, take what I offer  
Em G C  
Straight up the nose, down the throat, it's a bearable bruise  
on your conscience  
Em G  
But don't it feel good?  
C  
Don't you feel calmer?  
Em G C  
I am the way and the life in the best looking truth  
Oh, oh, oh, oh

[Refrão]

Em G C  
Call me "Mr. Rattlebone"  
Em G C  
Holy Ghost who haunts your home  
Em G C  
They don't know you like I know  
Em G C  
Call me "Mr. Rattlebone"

[Final]

I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse  
I am the driver, I am the shadow, and I am the hearse
