

Matt Willis - Crash

Tom: B

Here you go way too fast
 Don't slow down you're gonna crash
 You should watch - watch your stay here
 Don't look out, you're gonna break your neck

So shut, shut your mouth
 Cause I'm not listening anyhow
 I've had enough, enough of you
 Enough to last a life time through

So what, what do you want of me?
 Got no words of sympathy and if I go around with you
 You know that I'll get messed up too with you
 With you

na na na na na na na na na na na na na na na na
 na na na na na na na na na na na na na na na na
 na na na na na na na na na na na na na na na na

Here you go way too fast

Don't slow down you're gonna crash
 You don't know what's been going down
 You've been running all over town

So shut, shut your mouth
 Cause I'm not listening anyhow
 I've had enough, enough of you
 Enough to last a life time through

So what, what do you want of me?
 Got no cure for misery and if I go around with you
 You know that I'll get messed up too with you
 With you, With you, With you

na na na na na na na na na na na na na na na na
 na na na na na na na na na na na na na na na na
 (B E Gb E B E Gb)

na na na na na na na na na na na na
 Don't slow down you're gonna crash
