

Matt Wills - ADX

Tom: G

C
We lay awake another night until the day

Em C
Your eyes sing me a lullaby in which I bathe

C D
With your hand in mine we count up all our mistakes

Em C C D
I'll let you hold my heart until it breaks

Em C
When the stars that were stolen for you

C D
Turn to grey

Em D C
When there's nothing else above you

Will you stay

G
Keep it low

D
Low

C
'Cause we've got forbidden habits

D
Maybe we're just addicts

G
Keep it low

D
Low

C
When we touch to feel the static

D
'Cause we've got forbidden habits

C
Don't you know

D
I won't let you go

C D
You know I find it beautiful that you are flawed

Em C C D
So don't change the imperfections I adore

Em D C C D
With your hand in mine we count up all our mistakes

Em D C
And we dance with every chance we can take

G
Keep it low

D
Low

C

'Cause we've got forbidden habits

D
Maybe we're just addicts

G
Keep it low

D
Low

C
When we touch to feel the static

D
Well we've got forbidden habits

C
Don't you know

D
I won't let you go

C
Well don't you know

D C D
I won't let you go

Em D C
When the stars that were stolen for you

C D
Turn to grey

Em D C
When there's nothing else above you

Will you stay

G
Keep it low

D
Low

C
'Cause we've got forbidden habits

D
Maybe we're just addicts

G
So keep it low

D
Low

C
'Cause we've got forbidden habits

D
Maybe we're just addicts

G
Well keep it low

D
Low

C
When we touch to feel the static

D
We've got forbidden habits

C
Don't you know

D
I won't let you go
