Yeah

G#7M C#7M
I don?t need tools and I don?t need a process
G#7M
I just, need a feeling
C#7M
I don?t need pools of money or the success
I just, need the feeling
G#7M
When I write down new words found
Way deep in my head they make sounds
C#7M
They stay round they play round
G#7M
Then they tuck in nice over bass sounds, they
C#7M
They?re the colours inside my head, my mind, my head
G#7M
And we can turn back the clock
C#7M
Making moves that I thought I wanted back at 21, 22, 23, 24
G#7M
Never wrong, thought I was never wrong
C#7M
And better off just wanting less
G#7M
But I know all of me wanted more, yeah
C#7M
I never knew my chances on the way up
Seated at the kids table
G#7M
And we eating with the grownups now
C#7M
I never knew my chances on the way up
Seated at the kids table
We was at the kids table
G#7M
All trust no rust with the pen now
G#7M
We do not play pretend now
C#7M
Hide and seek that depends
G#7M
No if?s just when now
G#7M
Throwing caution to the wind now
C#7M
Yeah we gon' win (we gon' win, we gon' win)
G#7M

Always drew outside the lines
Guess I wanted me a bigger picture
C#7M
And my cloud is at the nines
When they load the beat, pull the trigger
G#7M
I don?t seem to mind no
When you come to mind
C#7M
Or that we chasing from behind
I know
Can?t go slow no
Can?t complain no
G#7M
We can turn back the clock
C#7M
Making moves that I thought I wanted back at 21, 22, 23, 24
G#7M
Never wrong, thought I was never wrong
C#7M
And better off just wanting less
G#7M
But I know all of me wanted more, yeah
C#7M
I never knew my chances on the way up, yeah
Seated at the kids table
G#7M
And we eating with the grownups now
C#7M
I never knew my chances on the way up, yeah
Seated at the kids table
We was at the kids table
G#7M
Now we with the grownups
C#7M
I never knew my chances on the way up, yeah
Seated at the kids table
G#7M
And we eating with the grownups now
C#7M
I never knew my chances on the way up, yeah
Seated at the kids table
We was at the kids table
G#7M
Now we with the grownups
